We satisfy even the most exacting post-examination processing analyses of candidate.

POST-EXAM ACTIVITIES

SB Creation
ISO 9001 : 2015 Certified

STEP 1 Question Analysis

STEP 2 Challenge Window

STEP 3 Score Card & Result

STEP 4 RTI & Audit Trails & Reporting

www.sbcreationgroup.com

SB Creation
ISO 9001 : 2015 Certified

Question Analysis

- Our examination system analyse responses for particular questions.
- Our examination system also identify faulty questions if any and process accordingly.

SB Creation
ISO 9001 : 2015 Certified

Challenge Window

- One of the Unique features in our examination system is the ‘Challenge Window’.
- This step is designed to keep transparency between the candidate and management.
- The Candidate can view their responses to questions that they gave in the examination and can (if feels) challenge the official question/answers.
- The challenged Question is again analyzed and the challenges can be accepted in case of a successful challenge and marks are awarded or rejected in case of un-successful challenge.

SB Creation
ISO 9001 : 2015 Certified

Score Card & Result

- Our examination system analyses and generate score cards for each candidate.
- Accordingly, results are published and a merit list is generated.
- Different types of reports are custom made according to the requirement.
